

TRACKTIME INFORMATION

Please find enclosed everything you need to take your car out on the Silverstone Circuit.

- **Pit Lane Pass:** (e.g. Session D number 12) Print this pass and split into 4 sections and place in the following positions: nearside top corner of windscreen, bottom corner of nearside rear window, bottom corner of offside rear window. Complete the bottom right corner section and bring it with you to the signing-on desk
- **Track Time Parking Vehicle Pass:** This must be printed and hung on your rear view mirror facing outwards
- **Indemnity Form:** Print and complete this and bring it with you to the signing-on desk
- **Track Time Checklist:** Print and complete this and bring it with you to the signing-on desk
- **Track Time Rules:** Please read before attending your briefing session

VEHICLE PASSES

- You must print and cut your pass and hang it from your rear view mirror facing outwards. This must be done before you arrive at the event to ensure that you are directed to the tracktime pit area as quickly as possible.
- Anyone without a printed pass will not be allowed entry. Passes shown on a phone will NOT be permitted.
- Please check your allocation. Any problem with your pass allocation must be reported immediately as no replacements will be issued on the day. There will be no pass collection on the gate.
- Your pass refers to your entry gate, please follow the relevant signs when approaching the venue. The number on your pass corresponds to the area of the Tracktime pit area. Please follow the attached map.
- The vehicle pass allows entry for the vehicle ONLY.

TICKETS

- The driver and all passengers MUST have a valid entry ticket or pay £25 on the gate.
- You must print your tickets and have them ready for checking on arrival.

If you are on a club stand only display your club stand pass on arrival at the circuit. This will enable our marshals to direct you to your stand. You should always return to your club stand after your track session.

If you are not on a club stand display the Track Time Parking Vehicle Pass to ensure you are directed to track time parking, and return there after your track session.

It is important you have picked the correct session for your ability. Anyone found in the wrong session will be removed.

TRACKTIME BRIEFING

Briefing takes place in the Brooklands Building. Please organise yourself to arrive at the briefing room at least 10 minutes before your briefing session starts.

If you miss your briefing time you will not be allowed on track.

YOU MUST DISPLAY BOTH PARTS of your driving licence when signing on or you will not be allowed out on track. Your paper section which accompanies your driving licence can be downloaded from the DVLA website and brought with you. No refunds will be given if you do not provide the correct documentation.

A strict no alcohol rule is enforced for all track activities. Random breathalyser tests will be in operation throughout the event.

Please ensure you read and adhere to our track time rules before attending your briefing session. Please note track time is NOT refundable.

Driving standards

- All drivers must attend a briefing before going out on the circuit and these must be followed
- Treat your first lap as a sighting lap
- Racing is not permitted
- Only join the circuit via the PTT track access route, and then accelerate briskly to Track Speed. Leave the circuit only via the PTT track exit route
- The track must be used in a clockwise direction only
- Overtake on the straight only. Overtaking can only take place on the left and due consideration must be given to the driver. Overtaking must never take place on the corners. Entering the corner is described as: 'from the moment a driver commits him or herself to turning the car into the corner'
- Drivers must not overtake in Red zones or after the brake signs
- Make frequent use of mirrors and move over safely to allow quicker cars to pass. Use indicators to assist the overtaking driver and make the maneuver as safe as possible. Never move off line in a corner
- All windows should be closed at all times while on track
- Any driver spinning, racing or driving dangerously will be reported and may be refused extra track time
- Drive slowly in the paddock, there will be a lot of pedestrians – be aware of them
- Drivers will be watched at all times, if reported the driver will get a yellow card
- If a driver gets 2 yellow cards they will be banned along with the car
- Mobile telephones and car phones must not be used on Track by drivers or passengers, even if their car is stationary. Anyone seen to be using one will be excluded from the event

Vehicle restrictions

- Only a Ford manufactured road legal car is allowed on the track
- Your vehicle must be in suitable condition for circuit driving and to MOT test standards
- Cars fitted with slick tyres are not permitted on track
- Tyres must meet the recommended pressure for high speed driving
- Do NOT overfill petrol tanks

Please see reverse of sheet

- 3 wheel cars are not permitted on the circuit
- Timing Devices of any type fixed to a vehicle are strictly forbidden
- The maximum sound level for your vehicle is 102dB, measured on drive by meters around the circuit
- The Silverstone Marshals reserve the right to refuse any car from being driven on the circuit for whatever reason – their decision is final
- Video Cameras MUST be fixed by means of a mechanical fastening and NOT tape or cable ties
Cameras must also not hinder a driver's vision. A Silverstone official must check the fixing before being admitted on to the circuit
- Open top vehicles must be fitted with a roll bar/approved windscreen that acts as a roll bar
Your car, even if it is totally road legal, will not be allowed on the circuit if it does not meet the above requirements
- **Please ensure that all loose objects are removed from the boot of the car and rear seat**

Briefing

It is a requirement of taking your car onto the circuit that you attend a briefing session beforehand. At the end of the briefing you will be issued with a wristband as proof of having attended. You will need to show this to the pit lane marshal before access is allowed onto the circuit. **Do not remove the band**

Briefing takes place in the Brookland Suite next to the BRDC Grandstand. Please organize yourself to arrive at the briefing room at least 10 minutes before your briefing session starts

If you miss your briefing time you will not be allowed on track

Insurance: It should be noted that standard insurance does not cover track driving. Please make your own arrangements for accident cover

Fuel Station: Fuel and Oil are available on site at the Gulf Silverstone Filling Station adjacent to the paddock. The Fuel Station offers an automated 24hr credit or debit card operation

Waste Disposal: Every effort should be made to ensure that waste oil, petrol and tyres are placed in containers provided. Under no circumstances should used tyres be left in the paddock area

Driving Safety Tips:

- Make frequent use of mirrors and move over safely to allow quicker cars to pass. Use indicators to assist the overtaking driver and make the manoeuvre as safe as possible
- Slower drivers must be aware of drivers with more competence and allow quicker vehicles to pass efficiently. Use indicators if appropriate to assist the overtaking driver and the overtaking driver MUST make the manoeuvre as safe as possible. The faster driver MUST give a gap of at least six feet. Drivers seen to be deliberately obstructive in the overtaking process will be removed from the circuit to be re-briefed
- It is advisable not to fill the fuel tank to more than 70% to avoid heavy loading to the vehicle. Equally do not let the level fall to a level where surge may occur or even worse run out

Flag and traffic light signals

Should a session be stopped for any reason, red lights will be switched on around the circuit and/or red flag at the side of the track

Red flag/lights – Prepare to stop, check mirrors, slow down to approximately 20mph and follow the officials instructions

Yellow flag/lights – Indicates danger, slow down considerably, be prepared to take evasive action including stopping if necessary. No overtaking

Yellow/Red Striped Flags – Indicates oil spills and wet conditions

Chequered flag – Indicates that you must come off the track at the end of the lap, continue around the circuit and use the pit slip road to exit the track

Black flag – We have seen something dangerous on your car, slow down and return to the pit lane

YOU MUST ENSURE YOU READ AND UNDERSTAND ALL TRACK RULES

How to Get On Track

- 1 Ensure your vehicle is suitable for track use
- 2 Purchase and retain your track pass
- 3 Read all the track rules

Track Time Checklist

Before taking your vehicle out on the track, you **MUST** check the following;

Vehicle Check	Completed
Check tightness of wheel nuts (preferably torque setting). Removal of, or cable tie "fly off" type wheel trims.	
Check security of oil drain plug and that the vehicle is generally free from oil and coolant leaks.	
Ensure that the petrol cap is firmly in place, and where possible, locked securely.	
Check condition of tyres.	
Check type of tyres; do not mix tyre type on the same axle.	
Check tyre pressures.	
Check the brake fluid level and ensure there are no leaks in the system.	
Check condition of the brake pads and linings (min 3mm thickness on lining, not including the back plate)	
Check steering is in good order.	
Check that all lights function correctly and tape headlights.	
Check for correct operation of seatbelts and door locks.	
Check condition and functioning of the windscreen wipers and washers.	
Check condition of exhaust system efficiency and stability.	
Check security of battery mounting.	
Remove all loose objects from the boot and cockpit, especially plastic petrol cans and other flammable substances.	

It is the responsibility of each driver to ensure that their vehicle is in a safe condition to drive at high speed on the circuit. If marshals observe any defect on the car which they consider to be a danger to the driver or other circuit users or likely to cause damage to the track surface, the car will not be allowed on Track.

I hereby confirm I have completed the above checks and declare my vehicle to be safe and in a fit and proper condition for circuit driving.
